

## TIMOTHY P. ROBBINS

### EXPERIENCE

- 2020 Northern Bay Ambulance; Pinconning, Michigan  
Paramedic
- 2003-Present M-CRASH Group llc; Bay City, Michigan  
Traffic Crash Reconstruction Expert
- 2012-Present Arenac County Sheriff's Office; Standish, Michigan  
Deputy Sheriff
- 2005-2009 Genesee County Fatal Alcohol Crash Team; Flint, Michigan
- Team Commander**  
Develop FACT program, set equipment standards, develop policies and procedures, develop reporting system, set budget, general fiscal responsibilities, personnel selection and management, report reviews and approval.
- 2002-2012 Michigan State Police Third District Headquarters; Saginaw, Michigan
- Traffic Crash Reconstruction Specialist**  
Investigate fatal and serious injury traffic crashes, review serious injury and fatal traffic crash reports, coordinate and instruct District At-Scene Traffic Crash Investigator training, testify as expert witness.
- 2000-Present Delta Community College; University Center, Michigan
- Regional Police Academy Instructor**  
Develop curriculum and instruct traffic crash investigation to cadets.
- 2000-2007 Bay Medical Center EMS; Bay City, Michigan  
**Paramedic**  
Duties similar to Life Link EMS.
- 2000-3/2002 Michigan State Police Third District Headquarters; Saginaw, Michigan
- District Recruiter**  
Recruiter covering 12 counties. Duties include PR, high school and college seminars, news interviews, special district projects, public speaking, special event scheduling and organization, physical agility test proctor.
- 1999-2007 Michigan State Police Third District
- First Aid Instructor**  
Instruct and evaluate personnel on first aid techniques, policies, and procedures.
- 1997-5/2002 Michigan State Police Bay City Post; Bay City, Michigan

**TIMOTHY P. ROBBINS**

**Trooper**

Road patrol duties including complaint work. 1998 received instruction and began investigating traffic traffic crashes as an At Scene Traffic Crash Investigator.

1995-6/1997 Sheriff's Department; Alpena County, Michigan

**Deputy Sheriff**

Court Officer Duties and Road Patrol Duties including complaint work.

1994-4/1995 E-911 Dispatch Center; Alpena, Michigan

**E-911 Telecommunicator**

Answer emergency and non-emergency lines, relay messages and needed information to appropriate agencies. Page fire, rescue, and ambulances as well as give limited medical treatment over the phone. Non-emergency law enforcement traffic as well as LEIN and emergency traffic.

1993 Law Enforcement Intern; Lake Superior State University

**Intern, Law Enforcement**

Ride Along and assist officers in the line of duty. Intern for approximately 300 hours. Demands knowledge of laws and departmental procedures and establishment of trust between self and officer(s).

1992-1999 Long Rapids Fire Department (Volunteer); Lachine, Michigan

**Volunteer Rescue Personnel**

Operate on board a volunteer rescue unit/first response unit as well as assisting at fires as support personnel. While I was classified as a firefighter near the end of my membership, and while I have the training equivalent to firefighter I & II, I did not test for those certifications.

1990-1999 Onaway Area Ambulance Service; Onaway, Michigan

**Volunteer Crew Member**

Operate as a volunteer crew member on a Basic Life Support unit. Requires same skills as a Paramedic, in addition it also requires the ability and knowledge to medically evaluate and triage patients to call for Advanced Life Support assistance. Also requires emergency driving techniques, knowledge of EMS laws, and ambulance operations and budgeting.

**Supervisor** (1993-1997 & 1999)

Supervisor position requires knowledge of EMS operational laws, Medical Control Protocols, budgeting and working within budget constraints, knowledge of communication operations, dealing with governing board, and also requires the ability to look past personal and political agendas to do what's in the best interest of the community the ambulance serves.

1990-1997 Life Link EMS; Rogers City, Michigan

**Paramedic**

Duties similar to that of Onaway Area Ambulance Service, including good report writing skills and general maintenance of ambulances.

[www.mcrash.com](http://www.mcrash.com)

*M-Crash Group, LLC – Providing expert reconstruction services with pride and integrity!*

TIMOTHY P. ROBBINS

1990-2010 Michigan High School Athletic Association; East Lansing, Michigan

**High School Sports Official**

Demands good working knowledge of rules, hand to eye coordination, physical fitness, quick mental processing, good communication skills, interpretation of written rules to fit unusual circumstances, and human relation skills. Currently participate as Basketball Official.

**ACCREDITATION/ASSOCIATIONS**

2003-present The Accreditation Commission for Traffic Accident Reconstruction (ACTAR) accredited.

**COURT TESTIMONY**

Since March of 2002 accepted as an expert in the following courts (including but not limited to):

- |                                     |   |
|-------------------------------------|---|
| Alpena County District Court        | Antrim County Circuit Court                             |
| Arenac County Circuit Court         | Arenac County District Court                            |
| Bay County Circuit Court            | Bay County District Court                               |
| Cass County Circuit Court           | Clare County Circuit Court                              |
| Genesee County Circuit Court        | Genesee County District Court                           |
| Grand Traverse County Circuit Court | Gratiot County District Court                           |
| Gratiot County Circuit Court        | Ingham County District Court                            |
| Ingham County Circuit Court         | Isabella County Circuit Court                           |
| Kent County Circuit Court           | Lapeer County District Court                            |
| Lapeer County Circuit Court         | Macomb County Circuit Court                             |
| Midland County District Court       | Midland County Circuit Court                            |
| Montcalm County Circuit Court       | Oakland County Circuit Court                            |
| Ottawa County Circuit Court         | Presque Isle Circuit Court                              |
| Saginaw County District Court       | Saginaw County Circuit Court                            |
| Sanilac County Circuit Court        | Tuscola County Circuit Court                            |
| Tuscola County District Court       | Washtenaw County Circuit Court                          |
| Wayne County Circuit Court          | US District Court Eastern District of Southern Division |

*M-Crash Group, LLC – Providing expert reconstruction services with pride and integrity!*

**TIMOTHY P. ROBBINS**

Instruct police officers in total station scene documentation and CAD drawing since 2005.

Bay City, MI	Alpena, MI
Presque County, MI	Saginaw, MI
Canton, MI	Macomb County, MI
Grand Rapids, MI	Muskegon, MI
Greater Chicago Area, IL	Jackson Hole, WY
Greater Cleveland area, OH	Warsaw, IN
Plymouth, IN	Charlevoix, MI
St. Joseph County, IN	

Traffic Incident Management Seminars with Michigan Department of Transportation

Lansing, MI 2011	Pinconning, MI 2011
Zilwaukee, MI 2012	Petoskey, MI 2012
Saginaw, MI 2011	Alpena, MI 2012
Farwell, MI 2013	Harrison, MI 2013
Birch Run, MI 2013	Saginaw Twp, 2014
Traverse City, MI 2014	Sharp2 Train the Trainer class
Bay City, MI 2016	

Present with Genesee County Community Mental Health in Washington DC on alcohol, drugs, and the community impact 2009.

Assist MDOT with Road Safety Audits

Presentation webinar with USDOT and MDOT on quick clearance and photogrammetry 2013

Presentation webinar with USDOT and NHTSA on Crash Reconstruction Best Practices and photogrammetry May 2015.

Presentation webinar with USDOT and NHTSA on Crash Reconstruction Best Practices and photogrammetry Dec 2015.

## **TRAFFIC CRASH STUDIES**

Drag Factor studies considering the following factors: Safe + Sled commercial drag sled, skid tests, Vericom 3000 with both ABS & non-ABS braking on asphalt & gravel surfaces.

Drag Factor studies considering the following factors: drag tire, Vericom 3000, G Analyzer, bumper guns, skid tests, and standard braking vs. anti-lock braking systems.

Drag Factor studies considering the following factors: Vericom 3000, skid tests, and aftermarket traction devices as they apply to snowmobiles.

Drag Factor testing confirming the accuracy of the SAFE Mass Load Drag Sled as compared to the Vericom 3000, Vericom 200, and conventional hand measurements and calculations of skid marks at known speeds.

Comparative analysis of total stations; specifically a NPL Nikon, a Sokkia 530R, and a LTI 20/20 with angle encoder.

2006 Vault testing with MSP Reconstruction group in Escanaba, MI

Comparison of total station and iWitness photogrammetry.

TIMOTHY P. ROBBINS

## SPECIAL PROJECTS

2013- Requested to be on the Governor's Traffic Safety Advisory Committee on Traffic Incident Management.

2008 - 2010 Worked with Genesee County Community Mental Health on reducing underage drinking as well as fatal crashes involving alcohol and drugs. My responsibilities include forming a plan and related procedures for coordinated OWI and LCC enforcement, budgeting of overtime, scheduling patrols and inspections among numerous police agencies participating, and gathering and conducting a statistical analysis to evaluate the program's success.

2005 -2009 Formulated and initiated Genesee County's Fatal Alcohol Crash Team concept. Responsible for all facets of budget issues; equipment specifications and purchasing; team member qualifications, selection, and management; scene supervision; report format, review, and supervision; report system specifications; general management and fiscal responsibilities.

2001 Assisting Alpena County Sheriff's Department in development, and implementation of a grant writing to purchase a lidar unit for speed measurement and AI distance measurements. Continued project by training 5 departments in its utilization for mutual aid agreements.

2001 Initiated an AED grant for MSP Third District. Grant was approved for providing 55 AED's and 7 trainer units to 14 police agencies covering 7 counties. Coordinated and instructed training offered to all 14 agencies.

1993 Initiated a plan to upgrade Onaway Area Ambulance Service from a volunteer BLS system to a volunteer BLS with full time ALS system. Included initiating billing for services, upgrading EMS units, purchasing a new building, hiring staff, creating policies and procedures, and all facets of EMS management.

## SENIOR THESIS

Focusing on the implementation of combined emergency services (public safety department) within one department and how this reduces financial concerns, increases communications, decreases response times, and increases public safety, among other issues. Implementation includes cross training of police and fire personnel while reducing the amount of personnel needed to provide appropriate services while continuing, if not increasing, the level of financial security and safety the citizens currently enjoy.
